

Tempe Department.

(TEMPE, ARIZONA, APRIL 25, 1933.)

J. H. POLITZER : : : : : Manager.

COMPANY C, N. G. A.

Tempe's Recently Organized Soldier Boys.

The Members of the New Company Mustered in Last Saturday Night.

Tempe at last has a militia company, and a finer set of men would be hard to find in any community. Forty-two members were mustered in Saturday night in the Heineman & Gill building by Major Lewis, assisted by Lieut. Robinson. After the signing of the muster roll the election of commissioned officers took place, with the following result:

Captain, F. L. Monck; first lieutenant, Will Mullen; second lieutenant, F. Schureman. Captain Monck is a most popular young man and will be an honored head to the company. Lieutenants Mullen and Schureman will make efficient aids to Captain Monck, and will be well liked by the members, because there will be no danger of them getting the big head. As is natural with Tempe, the members will always pull together, so there is no danger of a split-up. The company came here to stay, and stay it will. After the election of officers, Major Lewis made a few complimentary remarks to the company, which were applauded by three cheers for the major and three for the company. All members are requested to meet at the same place Thursday evening at 8 o'clock, as all officers will then be appointed.

TEMPE ECHOES.

Odd Fellows meet tonight. The air was rather yesterday owing to a stiff breeze.

Col. Poston was circulating among his numerous friends yesterday. Boon Lewis, J. L. Morse and Frank Balcock were summoned to Phoenix yesterday as witnesses on the school section case.

The Odd Fellows will organize a lodge in Mesa City tomorrow night. Tempe will give a helping hand as usual.

The M. E. Church has purchased an acre and a quarter of ground in Mesa City and will soon begin the erection of a fine brick edifice.

Gregory house arrivals yesterday were as follows: F. M. Schoenberg, San Francisco; Theo. Sutton, Los Angeles; Chas. D. Poston, Phoenix.

A strawberry and ice cream social for the benefit of the M. E. church will be given in the new Heineman & Gill building Friday evening, April 28th.

P. B. McCabe returned from California Sunday evening after an absence of about a week. He evidently fell among the Philippines, as his moustache is missing.

The Bank of Tempe has elected a new set of officers and directors as follows: E. G. Frankenberg, president; Benj. Goldman, vice-president; F. G. Dodson, Cashier; Nels Peterson, Mgr. Ellingson and Perry Wildman.

W. J. Kingsbury drove to Phoenix yesterday to attend to the Tempe Land and Improvement company's side of the dispute over the school section. P. B. McCabe and J. D. Bethune went on a similar errand in the interests of the Dags Bros.

After a dusty trip to the Mormon Girl mine on Cave Creek, C. N. Taylor and C. E. Karls were glad to get back yesterday. They report the mine in excellent condition and improvements constantly going on. The Mormon Girl is destined to be one of the bullion producers of the territory.

The Mexican circus had an act Sunday night that was not down on the bills. An American among the audience becoming impatient for the fun to commence started in to annoy the crowd by a series of somersaults around the ring. The circus ring evidently did not agree with him, as he afterwards complained of being dizzy from the effects of the tumbling.

The following were registered at the Tempe hotel yesterday: Richard A. Collier, San Francisco; A. S. Mills, G. Hartzell, W. S. Pierce, J. H. W. Jensen and Miss Lulu Jeffries, Phoenix; Nathan M. Adler, St. Louis; F. A. Gully, Tucson; W. H. Code, Mesa; H. A. Tausig, San Francisco; C. Eschman and wife, Phoenix; W. Lount, Phoenix; H. A. Ball and family, St. Louis.

The division of the J. D. Walker estate will soon attract the attention of our reading public on account of Joanna Walker, his daughter, living near here and being well known. We hope soon to give our readers a complete story of the romance connected with the estate and will no doubt be more interesting than that of the Blythe case of California. The division of the estate comes up before the probate judge of Pinal county about the middle of June.

Excruciating enjoyment experienced while manipulating strawberries and cream at Burchard's parlors.

It has been reported around town by unreliable persons that should Mr. Hough have no opposition in the ice business, he will raise the price of ice to 1 1/2 cents a pound. This is a calumny and to prove its falsity Mr. Hough will sign a contract to guarantee ice all the year round at 1 cent a pound, and should any get him made, the customers will get the benefit of it. It pays to patronize home industry.

Frank H., the pacing and trotting stallion, owned by E. W. Wilson, is now in stand at the Tempe Livery stable. He was bred in Illinois, sired by Col. Hare, by Attorney, by Harold, the sire of Mand S. Dam is Mollie, record, 2:37 3/4.

P. F. Nielson, the well known Phoenix jeweler has opened a jewelry and watch repairing establishment in Tempe, occupying part of Hudson's new drug store. Come and see him.

Strawberries and cream at Barrowdale's by the dish or box.

The Wildman, Peters, Goldman Co. are making special inducements to farmers on their new Buckeye mowers and Jackson rakes and stackers.

The Tempe hotel is making special rates to families wanting board for the summer.

Give your wife a rest and go to the Tempe hotel for a Sunday dinner. Turkey and ice cream every Sunday.
